

2022 Vendor Application

The 2022 Fourth of July event in Rotary Park is seeking vendors for food and other appropriate items. Vendors may be either from a commercial venture or a nonprofit organization. Nonprofit organizations that are accepted as a vendor will not be charged for a space in the park. For commercial applicants, vendors will be charged a nominal **\$50 fee paid in full** before Friday, June 3, 2022.

Electricity, running water, sewage or trash facilities are not available, so each **vendor must be self-contained**.

All applications must be returned to the Parks, Recreation & Culture division, either in-person or by mail, no later than June 3, 2022. You will be provided a map showing the location you have been assigned and a parking pass. You will not be able to park multiple vehicles by your vendor space.

- Vendors of non-food items that do not require the use of a booth please indicate that fact under “Additional Information.” Please contact Greene County Health Department for information on vendor permits: (937) 374-5600
- All vendors are expected to adhere to guidance from state and local health departments for safe operations during the COVID-19 pandemic
