

COVID-19 Responsible Restart Guidelines

The City of Beavercreek Parks, Recreation and Culture and our Strollers in Motion Instructor team is dedicated to making your safety, health and wellness our top priority. We truly believe our motherhood and strength are amplified when we are together! We are committed to providing our community with a safe, welcoming workout environment for in-person classes.

Key Changes

- Class sizes will be limited based upon available space and ability to social distance.
- Social distancing of a minimum of 6 ft. will be maintained the duration of class.
- Public restrooms will be limited to the number of users at any one time.
- Water fountains may be disabled. Participants should bring their own water bottles.
- Extra curricular, i.e. after class crafts, etc. will not be conducted until further notice.
- No shared equipment during class.

Instructors

- Must self-evaluate themselves and their children for COVID-19 symptoms before each class.
- Face coverings are required.
- When actively teaching during class, a mask will not be required when able to maintain a social distancing of a minimum of 6 ft. from participants.
- Will ensure social distancing and sanitization guidelines are maintained throughout the duration of class.
- Will thoroughly sanitize hands before and after class at sanitization station.

Participants

- Must self-evaluate themselves and their children for COVID-19 symptoms before each class and not attend class if they are exhibiting symptoms or have been exposed to COVID-19.
- Face coverings are required. Those that are actively participating during class will not be required to wear a facial covering.
- Ensure their children are buckled in the stroller and/or maintaining 6 ft. social distancing guidelines.
- Should not congregate in parking lots before and after class.
- Must use the sanitization station to thoroughly sanitize hands to check-in and before and after class.
